

# Registration procedure for the WYD+cf Panama 2019

*The Pre-WYD in Claretian Family will be held at the Claret School (Las Acacias, Panama City) from the 17th to 21th and the 28th of January 2019.*

*The Youth World Day (General WYD) will be held from January 22th to January 27th, 2019 in Panama City.*

## Steps for registration:

1. The coordinators of each group or delegation will write down the data of the group and of the pilgrims according to what is required in the registration system of the official website of the WYD <https://www.panama2019.pa>

For this process, you must download an Excel document to record the data. The registration must be as an “individual group”, consisting of a maximum of 150 people.

2. You must pay the registration fee of the entire group (it can be a full or a sectioned payment). If you pay before July 31, 2018 in a single payment, you receive a 10% discount. A group identification code will be given at the end of the process.
3. The registration must be made on the official page of the WYD in Claretian Family (JMJ + fc) <http://jmj2019fc.com/inscripcion-de-voluntarios-y-peregrinos/>.

Upload the same Excel document used for the registration in the general WYD, adding the shirt size of each person, as well as the data of arrival and departure of the group. The name of the file will be the name of your country and the code generated by the WYD record. Example: Sri Lanka 1234567. Then you have to make the corresponding payment, making the deposits in the accounts indicated by the Provincial Economy of each Claretian Missionary Organism (Province/Delegation). The cost of registration is USD\$ 150.00.

## Considerations

1. **To register for the general WYD**, each delegation must register as an individual sub-group or several individual sub-groups per country. This decision is at the discretion of the pilgrim delegations of the Claretian Family. The registration of the sub-group will be closed when the entire sub-group has sent the payment. When the group has closed the registration and the payments have been made, the Commission of Registration of the WYD will designate the place where the group will be located for the central acts. The sooner the registration process is completed, the closer to the main platforms the group will be located.

By registering in this manner, the delegations of pilgrims of the Claretian Family will not be together in the central acts. This has been decided so to compensate the efforts of those who register first.

2. **Phases of the Registration to the WYD:** the first phase of inscriptions allows to make modifications to the sub-groups and modify the information of the pilgrims (number of groups, number of pilgrims, data of the pilgrims) once reached the Second Phase 2 no modifications can be made (changing groups numbers, distribution or number of pilgrims). At this point, the group has the obligation to complete all the payments according to the total number of pilgrims reported. If for any reason a pilgrim is unable to participate, another pilgrim may take his quota. The official media will publish the dates of each stage. Therefore, we recommend registering the group until there is certainty of all the data.

- 3. Type of “pilgrim package” to choose:** we suggest choosing the Pilgrim Package A2 (which includes food, transportation and life insurance for the 5 days of WYD, as well as the pilgrim's kit). The cost is USD\$ 205.00. This package does not include lodging since the accommodation will be in Las Acacias and the Coordination Team of the Claretian Family will manage it.
  
- 4. Registration to the Claretian Family Encounter:** the coordinator must register for the pre-WYD of the Claretian Family after obtaining the registration code of the group in the general WYD. The closing of inscriptions for the encounter of the Claretian Family is December 1, 2018.
